

PROGRAM OVERVIEW

Venue : Sept 17th - 18th, 2026
 Date : Sofitel Nusa Dua, Bali, Indonesia
 Theme : "The Role of Palm Biodiesel for Global Energy Security"

PRE EVENT DAY - 16 SEPTEMBER, 2026

14.00 - 20.00 Event registration (ID card collection) at Kecak Ballroom

DAY 1 - 17 SEPTEMBER, 2026

08.00 - 09.00	Registration at Kecak Ballroom	
09.00 - 09.15	Opening Ceremony	
09.15 - 09.25	Opening Speech/Chairman APROBI	
09.25 - 09.45	Keynote Speech "Positioning Indonesia as a Global Leader in Sustainable Biofuels: Roadmap for Biodiesel, Bioethanol, and SAF"	Ministry of Energy and Mineral Resources of Indonesia
09.45 - 09.55	Inaugural Ceremony	

Session 1 (Talkshow)

Sub Theme : **"Accelerating Biodiesel Mandates: Policy, Industry Readiness, and Financing for a Sustainable Transport Sector"**

10.00 - 10.15	"Mandatory Biodiesel Program in Indonesia and the Roadmap Towards Higher Blending"	EBTKE
10.15 - 10.30	"Palm-Based Biodiesel: A Strategic Response to Global Energy Uncertainty"	Undersecretary of Biomass and Biofuel Division, Ministry of Plantation and Commodities Malaysia
10.30 - 10.45	"The Role of Funding Strategies to support the Mandatory Biodiesel Program"	BPD

10.45 - 11.00	"Regional Collaboration and Market Development for Palm-Based Biodiesel"	MBA
11.00 - 11.15	"Thailand's Biodiesel Policy and Industry Readiness for Higher Blends"	TBPA
11.15 - 11.30	"Industry Readiness and Challenges in Implementing Indonesia's Biodiesel Mandate"	APROBI
11.30 - 12.00	Q&A	
12.00 - 13.00	Networking Lunch and Exhibition Visit	
13.00 - 13.20	Keynote Speech : "Palm Oil Diplomacy: Advancing Indonesia's Interests on the International Stage"	Vice Minister of Foreign Affairs

Session 2 (Talkshow)

Sub Theme : **"Strengthening the Biodiesel Supply Chain: Sustainable Palm Oil as a Regional Feedstock for Global Energy Security"**

13.20 - 13.35	"Automotive Industry Perspective on Biodiesel Industry"	GAIKINDO
13.35 - 13.50	"Optimizing Biodiesel Supply Chains: Lessons from Malaysia's Palm Oil Sector"	Petronas
13.50 - 14.05	"Integrating Palm Oil-Based Biodiesel into Thailand's Energy Supply Chain"	PTT - Thailand
14.05 - 14.20	"Building a Resilient Biodiesel Supply Chain in Indonesia: From Palm Oil Feedstock to End-User"	Pertamina Patra Niaga
14.20 - 14.35	"Success Story of Indonesia's B40 road to B50"	LEMIGAS
14.35 - 15.05	Q&A	

Session 3 (Talkshow)

Sub Theme : **"Scaling Low-Carbon Liquid Fuels: Bioethanol and SAF Policies, Markets, and Implementation from Indonesia to the Global Stage"**

15.05 - 15.20	"Updates and Challenges in the Implementation of Bioethanol in Indonesia"	APSENDI (Indonesia Bioethanol Association)
15.20 - 15.35	"Success Story of Bioethanol Implementation in Brazil"	Brazil embassy in Indonesia
15.35 - 15.50	"SAF Policy Perspective"	Directorate General of Civil Aviation
15.50 - 16.05	"SAF Development in Asia Pacific"	PAC (Petroleum Analyzer Company)
16.05 - 16.20	"European Market Perspectives on Green Fuels: Bioethanol and Sustainable Aviation Fuel"	Cefetra Group, Analyst Europa
16.20 - 17.00	Q&A	
18.00 - 20.00	Gala Dinner	

DAY 2 - 18 SEPTEMBER, 2026

Session 4 (Panel/Presentation)

Sub Theme : **“Advancing Palm-Based Biorefineries: Technologies, Inputs, and Market Dynamics from B40 to Advanced Biofuels”**

Panel Session :

09.00 – 09.20	“Economic Analysis of Palm Oil as a Strategic Feedstock for Global Biofuel Markets”	Glenauk Economics
09.20 - 09.40	“R&D Innovations for Sustainable Palm Oil Feedstocks: Enhancing Productivity, Traceability and Low-Carbon Biodiesel”	MPOB
09.40 – 10.00	“Advanced Biofuel and Biorefinery Development”	ITB (Bandung Institute of Technology)

Presentation Session :

10.40 – 12.00	Company Perspectives from: <ul style="list-style-type: none">- Biodiesel Technology Manufacturing- Chemical Company- Biodiesel Analysis Market Pricing- Shipping Company- etc
12.00 - 12.10	Closing Statement - End of Conference
12.10 – End	Lunch Session

Remarks :

- Speakers to be confirmed
- Tentative agenda rundown will be updated periodically
- Conference will be conducted in English
